

6.6. Questions of Student Survey 2016 (English)

:radio button :check box
【 】:drop down list (◇ is choices)

I .About yourself(Required)

1 Where are you taking this survey?

- In campus Out of campus

2 Undergraduate / graduate student

- Undergraduate student Graduate student in master's program
 Graduate student in doctoral program Graduate student in professional master's program
 Research student Others

3 Enrollment year to the present program

- ◇ 2016 ◇ 2015 ◇ 2014 ◇ 2013 ◇ 2012 ◇ 2001 ◇ Others

4 Please check the items below which apply to you.

- Having attended other university or technical college Overseas student

5 Sex

- Male Female

6 Group, Department, Major

- Group Undergraduate department Graduate department Graduate major Others

【a Group】

- ◇ Group 1 ◇ Group 2 ◇ Group 3 ◇ Group 4 ◇ Group 5 ◇ Group 6 ◇ Group 7

【b Department (Undergraduate)】

- ◇ Mathematics ◇ Physics ◇ Chemistry ◇ Information Science ◇ Earth and Planetary Science
◇ Metallurgical Engineering ◇ Organic and Polymeric Materials ◇ Inorganic Materials
◇ Chemical Engineering (Applied Chemistry Course)
◇ Chemical Engineering (Chemical Engineering Course) ◇ Polymer Chemistry
◇ Mechanical Engineering and Science ◇ Mechanical and Intelligent Systems Engineering
◇ Mechano-Aerospace Engineering ◇ Control and Systems Engineering
◇ Industrial and Systems Engineering ◇ Electrical and Electronic Engineering ◇ Computer Science
◇ Civil and Environmental Engineering ◇ Architecture and Building Engineering
◇ Social Engineering ◇ International Development Engineering
◇ Bioscience (Not belonged to courses) ◇ Bioscience (Biological Science Course)
◇ Bioscience (Life Science Course) ◇ Bioscience (Biological Information Course)
◇ Biotechnology (Not belonged to courses) ◇ Biotechnology (Bioengineering Course)
◇ Biotechnology (Biomolecular Engineering Course) ◇ Biotechnology (Biological Information Course)

【c Department (Graduate schools)】

- ◇ Mathematics ◇ "Physics (Particle-, Nuclear- and Astro-Physics)"
◇ Physics (Condensed Matter Physics) ◇ Chemistry ◇ Earth and Planetary Science
◇ Chemistry and Material Science ◇ Metallurgy and Ceramics Science
◇ Organic and Polymeric Materials ◇ Applied Chemistry ◇ Chemical Engineering
◇ Mechanical Science and Engineering ◇ Mechanical and Control Engineering
◇ Mechanical and Aerospace Engineering ◇ Electrical and Electronic Engineering
◇ Physical Electronics ◇ Communications and Integrated Systems
◇ Communications and Computer Engineering ◇ Civil Engineering
◇ Architecture and Building Engineering ◇ International Development Engineering
◇ Nuclear Engineering ◇ Life Science ◇ Biological Sciences ◇ Biological Information
◇ Bioengineering ◇ Biomolecular Engineering ◇ Innovative and Engineered Materials

- ◇ Electronic Chemistry ◇ Materials Science and Engineering
- ◇ Environmental Science and Technology ◇ Built Environment ◇ Energy Science
- ◇ Environmental Chemistry and Engineering ◇ Electronics and Applied Physics
- ◇ Mechano-Micro Engineering ◇ Computational Intelligence and Systems Science
- ◇ Information Processing ◇ Mathematical and Computing Sciences ◇ Computer Science
- ◇ Mechanical and Environmental Informatics ◇ Human System Science ◇ Value and Decision Science
- ◇ Industrial Engineering and Management ◇ Social Engineering ◇ Management of Technology
- ◇ Innovation

【d Graduate major】

- ◇ Mathematics ◇ Physics ◇ Chemistry ◇ Earth and Planetary Science
- ◇ Mechanical Engineering ◇ Systems and Control Engineering
- ◇ Electrical and Electronic Engineering ◇ Information and Communications Engineering
- ◇ Industrial Engineering and Economics ◇ Materials Science and Engineering
- ◇ Chemical Science and Engineering ◇ Mathematical and Computing Sciences ◇ Computer Science
- ◇ Life Science and Technology ◇ Architecture and Building Engineering ◇ Civil Engineering
- ◇ Global Engineering for Development, Environment and Society ◇ Social and Human Sciences
- ◇ Innovation Science
- ◇ Technology and Innovation Management (Professional Master's Degree Program)
- ◇ Energy Science and Engineering ◇ Engineering Sciences and Design
- ◇ Human Centered Science and Biomedical Engineering ◇ Nuclear Engineering
- ◇ Artificial Intelligence ◇ Urban Design and Built Environment

7 In which area of campus do you spend much time of yours?

- Ookayama area (North, South, East or West) Midorigaoka area Ishikawadai area
- Suzukakedai campus Tamachi campus

8 On average, how much time do you spend on the following activities on weekdays?

【a Sleeping】

- ◇ 0 hours ◇ 0-2 hours ◇ 2-4 hours ◇ 4-5 hours ◇ 5-6 hours ◇ 6-7 hours
- ◇ 7-8 hours ◇ More than 8 hours

【b Studying or conducting research (including time spent on campus but excluding time attending courses/classes)】

- ◇ 0 hours ◇ 0-2 hours ◇ 2-4 hours ◇ 4-5 hours ◇ 5-6 hours ◇ 6-7 hours
- ◇ 7-8 hours ◇ More than 8 hours

【c Leisure】

- ◇ 0 hours ◇ 0-2 hours ◇ 2-4 hours ◇ 4-5 hours ◇ 5-6 hours ◇ 6-7 hours
- ◇ 7-8 hours ◇ More than 8 hours

【d Working at a part-time job】

- ◇ 0 hours ◇ 0-2 hours ◇ 2-4 hours ◇ 4-5 hours ◇ 5-6 hours ◇ 6-7 hours
- ◇ 7-8 hours ◇ More than 8 hours

9 Have you ever taken a Student Survey before?

- Yes, I have. No, I haven't. I don't remember.

【10 How/where did you find out about the Student Survey 2016?】

- ◇ Tokyo Tech mailnews ◇ Tokyo Tech web page ◇ Electronic bulletin board ◇ Bulletin board
- ◇ Poster ◇ Information on the tables in cafeteria ◇ Social network service
- ◇ From a friend or acquaintance ◇ Mailnews from the department etc. ◇ Tokyo Tech Portal
- ◇ Others <please describe>

II. About Tokyo Tech / department / major / school / academic group

【1 Are you proud to be a Tokyo Tech student?】

- ◇ 4(Yes, very much) ◇ 3(Yes) ◇ 2(Yes, a little) ◇ 1(NO, not at all)

2 Please explain how you think Tokyo Tech should educate and nurture its students.

6. 調査資料集

- By offering educational programs which cultivate human resources for the international domain.
- By training students to become specialists in their fields.
- By helping students to broaden their knowledge of and obtain insight into matters related to science and technology.
- By fostering generalists with a broad knowledge and understanding of humanities as well as science and technology.
- By fostering future leaders and supporting independent activities of the student.
- By preparing and helping future graduates become valuable assets for companies.
- Others <please describe>

3 What do you think is needed to improve Tokyo Tech? (Select all that apply)

- Help in enhancing students' academic abilities Help for students to become more independent
- Improvement in research standards Improvement in facilities and the study environment
- Improvement in the quality of communication between the university staff and students
- Improvement in the quality of education. Others <please describe>

【4 Do you believe that this university and its alumni play a leading role in international society?】

- ◇ 4 (Strongly agree) ◇ 3 (Agree) ◇ 2 (Disagree) ◇ 1 (Strongly disagree)

5 Are you concerned with or interested in Tokyo Tech's ranking among other universities?

- 4 (Yes, very much) 3(Yes) 2(Yes, a little) 1(No,not at all)

【6 Do you have a clear goal concerning your studies here?】

- ◇ 4 (Yes, absolutely) ◇ 3(Yes) ◇ 2 (Not really) ◇ 1(NO,not at all)

7 Please indicate your reasons for attending university (select all that apply).

- To conduct research To acquire specialist skills To acquire a liberal arts education
- To find a job To broaden my social network To engage in clubs and extra-curricular activities
- To put off working right away Peer pressure Others <please describe>

8 Please indicate your reasons for enrolling at Tokyo Tech (select all that apply).

- It is close to where I live. It was an appropriate selection in terms of my academic level.
- Tokyo Tech requires the affiliation with a department during the second year of a bachelor program.
- Tokyo Tech specializes in my field of interest. I was influenced by others (e.g., peers, parents).
- There is a particular Tokyo Tech teacher under whom I wished to study.
- I felt that the atmosphere of the university would suit me. Others <please describe>

【9 Are you satisfied with your current academic group, department or major (undergraduate or graduate)?】

- ◇ 4 (Yes, very satisfied) ◇ 3 (Yes, somewhat satisfied) ◇ 2 (No, I am somewhat dissatisfied)
- ◇ 1 (No, I am very dissatisfied) ◇ I don't know.

10 Please indicate the reasons you are dissatisfied with your current academic group, department or major (select all that apply).

- The research and learning environment is not what I had expected.
- The curriculum lacks the necessary course material. The faculty staff are unhelpful or unavailable.
- The facilities and equipment are old and/or need proper maintenance.
- There are problems with the other students.
- The workload is too heavy and, as a result, I do not have enough free time. Others (please describe)

11 If you have any comments regarding your department or major, please provide them in the column below.

III.About study and research

【1 What was your attendance rate for the spring term (1Q and 2Q)?】

- ◇ 80-100% ◇ 60-80% ◇ 40-60% ◇ 20-40% ◇ 0-20% ◇ I was on leave
- ◇I wasn't a student at Tokyo Tech (e.g., not yet enrolled, studying abroad, etc.)

2 What are your reasons for not attending classes?

- Lectures were not appealing. Lectures were not comprehensible. I didn't want to study.
- Health reasons The class is held too early in the morning. Attendance was not required.

- I was busy with my research and/or experiments.
- I was more interested in club and extra-curricular activities. I was busy with my part-time job.
- I was job hunting. I prefer studying independently. I was busy with other course work.
- Others (please describe)

3 Please check the items that you feel would help increase the motivation of students.

- Increasing the number of courses which foster independent student learning and proactive participation.
- Increasing the number of courses in which the student can be involved in the research of other laboratories.
- Increasing the number of courses which offer experiments and practical application.
- Allowing students to take courses in other departments.
- Increasing opportunities for students to freely engage in group learning.
- Enhancing the transparency of course grading and its evaluation criteria.
- Placing emphasis on attendance in the overall assessment.
- Placing emphasis on written examinations in the overall assessment.
- Conducting more courses in English. Others (please describe)

4 Please provide details on courses taken at other departments and universities (e.g., Confederation of the Four Universities)

【a Are you satisfied with the courses of other departments?】

- ◇ 4 (Yes, I am satisfied) ◇ 3 (Yes, I am somewhat satisfied) ◇ 2 (No, not really)
- ◇ 1 (No, I am dissatisfied) ◇ I do not intend to take such courses. ◇ I don't know

b If you are not satisfied, please state the reason(s).

【c Are you satisfied with the registration of courses from other universities?】

- ◇ 4 (Yes, I am satisfied) ◇ 3 (Yes, I am somewhat satisfied) ◇ 2 (No, not really)
- ◇ 1 (No, I am dissatisfied) ◇ I do not intend to take such courses. ◇ I don't know

d Please describe the reason(s) why you are not able to register courses from other universities as you would like.

5 Questions regarding courses:

【a Are you satisfied with the current course registration system?】

- ◇ 4 (Yes, I am satisfied) ◇ 3 (Yes, I am somewhat satisfied) ◇ 2 (No, not really)
- ◇ 1 (No, I am dissatisfied) ◇ I don't know

b If you are not satisfied, please state the reason(s).

6 What do you think of the following courses and educational programs offered by Tokyo Tech?

【a Basic education in science and technology】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

【b Specialized subjects in science and technology】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know.

【c Training to become a researcher】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

【d Subjects in social science and humanities】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

【e Career development courses】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

【f Education of foreign languages】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

【g Improving communication skills】

- ◇ 4 (Good) ◇ 3 (Okay) ◇ 2 (Not good) ◇ 1 (Bad) ◇ I don't know

7 Questions regarding courses conducted in English.

【a Do you feel uncomfortable attending courses that are conducted in English?】

6. 調査資料集

◇ 1(No) ◇ 2 (A little) ◇ 3(Somewhat) ◇ 4(Yes) ◇ I don't know.

b What do you think about taking courses that are conducted in English?

- I will be able to acquire specialized knowledge in English.
 I will be able to brush up my English skills. Such courses would benefit foreign students.
 Such courses would elevate Tokyo Tech's international competitiveness.
 I am not confident in my English skills. Course instructors need to improve their English skills.
 It would decrease the quality of the course/class. Nothing in particular. Other (please describe)

8 When do you think would be a better time to offer courses which are conducted during public holidays?

- Holiday courses should remain as is. During summer vacation. During winter vacation.
 During spring vacation. During recess between quarters. Others (please describe)

9 Please provide your opinion regarding the current course format (two courses conducted per week).

10 Please provide your opinion on the curriculum of Tokyo Tech.

11 Please provide the details on any courses you would like to see added to the educational program of Tokyo Tech.

12 In regards to advancing to graduate school, are you planning to:

a You are planning to:

- Advance to a doctoral degree program Advance to a master's degree program
 Not advance to graduate school.

b If you will not be advancing to graduate school, please indicate the reasons.

- Financial reasons. I would like to work.
 I am not interested in pursuing my current field of study.
 I would like to enroll at a university where I can pursue a different field of study.
 I would like to enroll at a different university that focuses on a similar research topic.
 I have lost interest in research. I am concerned about my future career.
 The courses are conducted in English. Others (please describe)

c If you will not be advancing to a doctoral program, please indicate the reasons.

- Financial reasons. I would like to work.
 I am not interested in pursuing my current field of study.
 I would like to enroll at a university where I can pursue a different field of study.
 I would like to enroll at a different university that focuses on a similar research topic.
 I have lost interest in research. I am concerned about my future career.
 The courses are conducted in English. Others (please describe)

13 About studying abroad,

a Have you ever studied abroad?

- No, I have not. Yes, before enrolling at Tokyo Tech. Yes, while enrolled at Tokyo Tech.

b For how long did you study abroad?

- One week or less. Two to three weeks. One to three months. Three to six months.
 Six months to one year. One to three years. Over three years.

c When was your longest study-abroad period while enrolled at Tokyo Tech?

- During the first-year of undergraduate studies During the second-year of undergraduate studies
 During the third-year of undergraduate studies During the fourth-year of undergraduate studies
 During the first-year of my master's program During the second-year of my master's program
 While enrolled in the doctoral degree program Others (please describe)

d What period was the study abroad?

- 1Q 2Q During summer vacation 3Q 4Q During winter vacation
 During spring vacation

e Would you like to study abroad?

- I have already studied abroad or have plans to study abroad. Yes, I would like to.

- Yes, I would like to but cannot. If I have the chance.
 No, I don't want to nor do I have any plans to study abroad. I don't know.

f If not, please state your reasons.

- Financial Family I am not confident in my English skills.
 My main priority is my current research.
 I am concerned about over-extending the duration of my enrollment at the university.
 I am concerned about living in a foreign country.
 I am concerned that it may become a disadvantage when job hunting. I am not interested.
 I do not have enough information. I already have experience traveling or living abroad.
 Others (please describe)

14 Regarding educational programs offered at Tokyo Tech.

a Please select the educational program(s) with which you are familiar.

- The Confederation of the Four Universities (Special Composite Domain Course)
 Global Scientists and Engineers Course Graduate School Special Academic Course
 Tokyo Tech–Tsinghua University Joint Graduate Program Integrated Doctoral Education Program Academy for Global Leadership
 Academy for Co-creative Education of Environment and Energy Science
 Education Academy of Computational Life Science
 Academy for Global Nuclear Safety and Security Agent I am not familiar with any of the programs.

b Please select the educational program(s) in which you would like to participate.

- The Confederation of the Four Universities (Special Composite Domain Course)
 Global Scientists and Engineers Course Graduate School Special Academic Course
 Tokyo Tech–Tsinghua University Joint Graduate Program Integrated Doctoral Education Program Academy for Global Leadership
 Academy for Co-creative Education of Environment and Energy Science
 Education Academy of Computational Life Science
 Academy for Global Nuclear Safety and Security Agent I am not familiar with any of the programs.

c Please provide any opinions or comments you may have regarding the educational program at Tokyo Tech.

15 About the Tokyo Tech Portal

a How do you access the Tokyo Tech Portal?

- Smartphone Tablet Personal computer. Computer at Tokyo Tech.

b Do you use SSL-VPN to access the Tokyo Tech network from outside the campus?

- Yes, more than three times a week. Yes, once or twice a week. Yes, once a month.
 Yes, I have used it before. No, I have never used it. No, I did not know about it.

c Please provide any suggestions that you may have to improve the Tokyo Tech Portal (Email, Web System for Students and Faculty, OCW-I, Learning Portfolio system).

IV. Facilities of Tokyo Tech.

1 Regarding the library.

a How frequently do you use the library?

- Almost everyday. Four to five times a week. Two to three times a week. Once a week.
 Once a month. Almost never.

b Library services: Have you ever made a TDL online request?

- Yes I have No, I have not. I am not aware of the TDL online request. I don't know

c Are you satisfied with the library's hours of operation?

- 4 (Yes, very satisfied) 3 (Yes, somewhat satisfied) 2 (No, I am somewhat dissatisfied)
 1 (No, I am very dissatisfied) I don't know

6. 調査資料集

d For those who are dissatisfied, please state your desired hours of operation of the library.

e Please provide any comments or opinions you may have regarding the library of Tokyo Tech.

2 Location of meals.

【a Where do you usually eat breakfast?】

- ◇ At home. ◇ At the cafeteria ◇ Coop Bento (meal plate) at various places on campus.
- ◇ At a convenience store on campus. ◇ At a convenience store or bento shop near Tokyo Tech.
- ◇ At other facilities near Tokyo Tech. ◇ Other locations ◇ I do not eat breakfast.

【b Where do you usually eat lunch?】

- ◇ At home. ◇ At the first campus cafeteria ◇ At the second campus cafeteria
- ◇ At the cafeteria of Suzukakedai campus ◇ Coop Bento (meal plate) at various places on campus.
- ◇ At a convenience store on campus. ◇ At a convenience store or bento shop near Tokyo Tech.
- ◇ At other eating facilities near Tokyo Tech. ◇ Others ◇ I do not eat lunch.

【c Where do you usually eat dinner?】

- ◇ At home. ◇ At the cafeteria ◇ Coop Bento (meal plate) at various places on campus.
- ◇ At a convenience store on campus. ◇ At a convenience store or bento shop near Tokyo Tech.
- ◇ At other eating facilities near Tokyo Tech. ◇ Others ◇ I do not eat dinner.

3 How often do you eat at the cafeteria?

【a How often do you eat at the cafeteria?】

- ◇ More than twice a day. ◇ Once a day. ◇ Three to four times a week. ◇ Once or twice a week.
- ◇ I do not use the cafeteria.

【b What do you think about the price of the food?】

- ◇ 5(Expensive) ◇ 4 ◇ 3(Appropriate) ◇ 2 ◇ 1(Cheap) ◇ I don't know.

【c What do you think about the quality of the food?】

- ◇ 5(Delicious) ◇ 4 ◇ 3 (Decent) ◇ 2 ◇ 1(Not good) ◇ I don't know.

【d What do you demand of the campus cafeteria menu?】

- ◇ 5(High calorie) ◇ 4 ◇ 3 ◇ 2 ◇ 1(Healthy) ◇ I don't know.

e If you do not use the cafeteria, please provide your reasons.

f Please provide any comments or opinions you may have regarding the cafeteria of Tokyo Tech.

3 About bento shops on campus.

【a How often do you buy bentos on campus?】

- ◇ Once or twice a week. ◇ Three to four times a week. ◇ Five to six times a week.
- ◇ More than seven times a week.

【b What do you think about the price of bentos?】

- ◇ 5(Expensive) ◇ 4 ◇ 3(Appropriate) ◇ 2 ◇ 1(Cheap) ◇ I don't know.

【c What do you think about the quality of the bento?】

- ◇ 5(Delicious) ◇ 4 ◇ 3 (Decent) ◇ 2 ◇ 1(Not good) ◇ I don't know.

e If you do not buy campus bento, please provide your reasons.

f Do you have any requests or comments regarding bento shops on campus?

5 Regarding smoking areas on campus.

a Do you use the designated smoking areas on campus?

- Yes, I do. No, I don't.

b Are you satisfied with the locations of the smoking areas?

- Yes No

c If not, please state your reasons.

6 Regarding bicycle parking lots.

a Do you feel the bicycle parking lots are spacious enough?

Yes No I don't know.

b Do you feel that there are enough bicycle parking lots? Are there any locations at which you think bicycle parking lots should be added?

7 Please let us know if there are any locations on campus which you feel have no access or a bad connection to the Titech-pubnet (campus Wi-Fi).

8 Regarding other facilities of Tokyo Tech.

a Please select the facilities of Tokyo Tech which you feel have room for improvement (select all that apply).

Free spaces Napping rooms Extracurricular activities rooms Tennis courts
 Learning spaces Training rooms Washrooms Bath and shower rooms Textbook shops
 Facilities for technical innovation The swimming pool

b Please select other facilities you wish to see at Tokyo Tech.

Convenience stores Restaurants Cafes Vending machines Bento shops Bookstores
 Banks / ATMs

9 Please provide any comments or opinions you may have regarding the facilities of Tokyo Tech.

V. About campus services.

1 Please select up to three ways in which you acquire information regarding courses and events at Tokyo Tech.

Bulletin boards and electronic bulletin boards Department bulletins
 OCW/OCW-i/Web System for Students and Faculty Student Services office Tokyo Tech website
 Twitter Facebook Tokyo Tech Mail News Student Life Coach Friends
 Others (please describe)

2 Regarding student life services.

a What student life services would you like to see improved or installed? (Select all that apply)

Scholarship grants for excelling students. Financial support for students studying abroad.
 Financial support for students who are job hunting.
 Seminars that provide basic information (e.g., fees and how to register, etc.) regarding studying abroad.
 Events at which students who have studied abroad may share their experiences.
 Gatherings between those who have studied abroad and those who are planning to study abroad.

b What university services related to job hunting would you like to see improved or installed? (Select all that apply)

Job hunting events where current students can meet graduates who now work in fields of their interest.
 Employment screening limited to Tokyo Tech students.
 A student exchange session based on a specific industry.
 Seminars held by corporations that offer internships.
 Events that enable students to communicate with former internship students.

c Please provide any comments you may have about student life services.

3 Regarding on-campus activities.

a Please select the on-campus activities with which you are familiar (select all that apply).

Peer support Campus guide PR support School Partner
 Production(Monotsukuri) Support Librarian's Support Student Survey staff
 Assistant for university events On-campus interpretation IT support
 Energy conservation supporter
 Student support for female high school students who seek to advance to a science and technology oriented university

b Please mark the on-campus activities that you are interested in. (Select all that apply)

Peer support Campus guide PR support School Partner

6. 調査資料集

- Production(Monotsukuri) Support
- Librarian's Support
- Student Survey staff
- Assistant for university events
- On-campus interpretation
- IT support
- Energy conservation supporter
- Student support for female high school students who seek to advance to a science and technology oriented university

c Please state other on-campus activities you would like to see at Tokyo Tech.

4 About services provided by faculty and university administrative staff.

a Do you feel that the faculty staff have treated you appropriately?

- 4(I think so) 3 2 1 (I don't think so) I don't know

b Do you feel that the university administrative staff have treated you appropriately?

- 4(I think so) 3 2 1 (I don't think so) I don't know

c Please provide any comments you may have regarding the services provided by faculty and university administrative staff.

5 Regarding the various counseling and consultation services provided by Tokyo Tech.

a Please indicate the contacts for counseling and consultation services with which you are familiar (select all that apply).

- Peer support
- Guidance tutors, course instructors
- Head of the academic group, Chair of the Department
- Faculty staff assisting in employment and job hunting
- Learning consultation for international students
- Student consultation office
- Telephone consultation services
- Harassment consultation services
- Health counseling
- Career advisory services
- academic advisor
- Student life coach

b Please indicate the services you would like to receive. (Select all that apply)

- Peer support
- Guidance tutors, course instructors
- Head of the academic group, Chair of the Department
- Faculty staff assisting in employment and job hunting
- Learning consultation for international students
- Student consultation office
- Telephone consultation services
- Harassment consultation services
- Health counseling
- Career advisory services
- academic advisor
- Student life coach

6 Regarding harassment on campus

a Have you ever witnessed any form of harassment on campus (e.g., sexual, academic, power, etc.)?

- Yes, I have in the past. Yes, currently there is a case(s) of harassment to which I have been witness
 No.

b Have you ever witnessed alcohol harassment? (Select all that apply)

- No, I have never witnessed alcohol harassment.
- Yes, I have witnessed people being pressured to drink.
- Yes, I have witnessed people being pressured to chug alcohol.
- Yes, I have witnessed minors being pressured to drink.

c Please provide the measures taken, if any, by the participants, university staff or by yourself after witnessing the alcohol harassment.

d What do you think would help prevent harassment?

7 Regarding disaster prevention.

a Please select all items which apply to you. (Select all that apply)

- I am aware of the steps I need to take in the case of an earthquake.
- I am aware of the on-campus evacuation sites.
- I have a pocket-sized manual regarding what to do in the event of a large-scale earthquake.
- I am aware of the disaster drills held every year in autumn (to be held on November 9, 2016)

b Did you participate in the disaster drill last year?

Yes No I was not enrolled at Tokyo Tech.

c If you did not participate in the disaster drill last year, please state the reasons.

d Please provide any comments or suggestions you may have regarding Tokyo Tech's disaster prevention.
