

8.5 Questions of Student Survey 2022: Additional Questions

: radio button : check box

I .Basic information

1 What is your current status at Tokyo Tech?

- Bachelor's degree student Master's degree student Doctoral degree student
 Professional master's degree student Research student Non Degree Students
 Other

2 What was your path to admission?

- Regular entrance exam (first round) Regular entrance exam (second round) School recommendation
Administrative admission exam (inclusive of AO exam) Admitted as a privately funded international student
Admitted as a MEXT scholarship student (GSEP) Entrance exam under a high school–university collaboration
Other

3 Year enrolled in your current program.

- 2022 2021 2020 2019 2018 2017 2016 2015 2014 or before

4 Check the items that apply.

- I have attended other technical colleges or universities.
 I am an international student.

5 Which school are you affiliated with?

- School of Science School of Engineering School of Material and Chemical Technology School of Computing
 School of Life Science and Technology School of Environment and Society Other (please specify)

6 Gender

- Male Female Rather not specify

7 What extracurricular activities, if any, do you participate in (multiple selections allowed) ?

- School clubs Student clubs Other student organizations Other (please specify)

8 At the time of the university integration in AY 2024, will you be studying at your current program at Tokyo Tech?

- Yes. I plan to advance to a higher program. No. Other (please specify)

II .Integration with TMDU

See the link below for information and materials regarding the university integration posted on Tokyo Tech News:

“Tokyo Institute of Technology and Tokyo Medical and Dental University sign a basic agreement for integration”
[<https://www.titech.ac.jp/english/news/2022/065130>]

1 What do you expect from the new university?

The four descriptions below are the new university's goals set by Tokyo Tech and TMDU. Please tick all options with which you agree. You can also describe your idea of a desired university, if any, in “Other” section (multiple selections allowed).

“Convergence science” is an approach in which multiple historically different disciplines converge, resulting not merely in addition ($1+1=2$), but rather the creation of new disciplines after convergence to discover unknown issues and solve social problems ($1+1>2$).

[<https://www.titech.ac.jp/english/news/2022/065130>]

- Further promote cutting-edge research at both institutions

- Develop “convergence science” through cooperation and collaboration across departmental and other borders
- Produce highly specialized professionals who will pioneer the future based on comprehensive knowledge
- Nurture a culture of diversity, inclusion, and equity to foster innovation
- Other (please specify)

2 What kind of talent do you think the new university should focus on developing? (multiple selections allowed)

- Globalized
- Highly specialized
- With expertise generally covering science and technology fields
- With combination of humanities and science knowledge
- With strong leadership
- With strong advantage in job-seeking
- Capable of connecting medical sciences and engineering
- Other (please specify)

3 In which areas will the university integration likely be **advantageous** to you? (multiple selections allowed)

- Research
- Education (lectures, etc.)
- Student life (traveling between campuses, extracurricular activities, etc.)
- None particularly
- Other (please specify)

4 In which areas will the university integration likely be **disadvantageous** to you? (multiple selections allowed)

- Research
- Education (lectures, etc.)
- Student life (traveling between campuses, extracurricular activities, etc.)
- None particularly
- Other (please specify)

5 Do you know about school clubs, student clubs, and other student organizations of TMDU? Is there any specific activity you wish to join? _____

○I know of some and yes, there is a specific activity I wish to join. ○I know of some, but I have not found any I wish to join so far. ○I do not know of any. ○I have already joined some activities.

6 Do you think that the rate of applications for undergraduate programs at the new university will be higher or lower compared to the current rate at Tokyo Tech?

○Higher ○A little higher ○Mostly unchanged ○A little lower ○Lower

7 Do you think that the new university will be ranked higher or lower in the World University Rankings compared to the current Tokyo Tech ranking?

○Higher ○A little higher ○Mostly unchanged ○A little lower ○Lower

8 Do you think the university integration will be beneficial to your job hunting?

○Yes, absolutely. ○Yes, somewhat. ○Maybe. ○No, not really. ○No, not at all.

9 Please tick all areas regarding which you think the new university should strongly appeal to outside parties (multiple selections allowed).

- Learning environment
- Hensachi (deviation score for academic rating)

追加調査 調査資料集

- Research achievements
- Strengths in job hunting
- Location
- Other (please specify)

10 Are you looking forward to the university integration?

Yes, absolutely. Yes, somewhat. I'm neutral. No, not really. No, not at all.

11 Are reactions from your friends (non-Tokyo Tech members), family, etc. about the university integration positive?

Yes, absolutely. Yes, somewhat. They are neutral. No, not really. No, not at all.

12 Do you feel comfortable that the name Tokyo Institute of Technology will no longer exist after integration?

Yes No I have no strong feelings either way.

13 Among currently available systems at Tokyo Tech, please name anything you **want to be maintained** even after the integration, and explain why.

Example: Curriculum, department/laboratory affiliation, graduate admission system (A/B schedule, etc.), learning management system (T2SCHOLA, etc.), study-abroad programs, etc.

14 Among currently available systems at Tokyo Tech, name anything you **want to be improved** through integration, and explain how you want to be changed.

Example: Curriculum, department/laboratory affiliation, graduate admission system (A/B schedule, etc.), learning management system (T2SCHOLA, etc.), study-abroad programs, etc.

15 Please name any frameworks of inter-department/affiliation exchanges among students you wish to be maintained or launched after the university integration.

Example: Student unit for undergraduate students, transfer of department/major

16 Do you have any requests regarding the post-integration information infrastructures?

Example: Want to continue to use the domain name, Tokyo Tech Portal, T2SCHOLA, Slack, Box, etc.

17 Do you think the university integration will help promote the diversity and inclusion initiative?

See the link below for "Diversity and Inclusion at Tokyo Tech":

[<https://www.titech.ac.jp/english/diversity-inclusion>]

Yes, absolutely. Yes, somewhat. Maybe. No, not really. No, not at all.

18 Please provide any comments you may have regarding the university integration.

III. Introduction of the female student quota

See the link below for information and materials regarding the introduction of female student quotas posted on Tokyo Tech News:

"Tokyo Tech to introduce new admission methods, female student quotas"

[<https://www.titech.ac.jp/english/news/2022/065243>]

1 Would you support **having more female students** on campus?

Yes, absolutely. Maybe. I'm neutral. Maybe not. No, not at all.

2 How do you think that **the academic ability of students** will be affected by the introduction of female quotas?

It will improve. It will improve somewhat. It will neither improve nor be impaired.

It will be somewhat impaired. It will be impaired.

3 How will **the research ability of students** be affected by the introduction of female quotas?

It will improve. It will improve somewhat. It will neither improve nor be impaired.

It will be somewhat impaired. I will be impaired.

4 Would you support **the overall methodology** in trying to reach our goal of admitting more females?

Yes, absolutely. Maybe. I'm neutral. Maybe not. No, not at all.

5 Do you think the introduction of female quotas will help promote the diversity and inclusion initiative?

See the link below for "Diversity and Inclusion at Tokyo Tech":

[<https://www.titech.ac.jp/english/diversity-inclusion>]

Yes, absolutely. Yes, somewhat. I'm neutral. No, not really. No, not at all.

6 Please provide any comments you may have regarding the introduction of female quotas.

IV. Overall

Please answer the following questions about the Additional survey.

1 Please provide any comments you may have overall regarding this additional survey.
